EXPERIENCE

February 2021 – Present

Marketing Content & Design Assistant, Enham Trust, Andover
Graduate Trainee, Charityworks

- Graduate Trainee on the UK's leading non-profit leadership development talent programme, Charityworks, endorsed by the Institute of Leadership and Management.
- Scored 99% on user-centred research piece conducted and assessed as part of the programme. Interviewed disabled service-users to inform the delivery of new care model.
- Designing and producing print and web-based marketing, design and communication assets for all departments.
- Responsible for running and maintaining Enham's social channels and website, including content creation and copywriting.
- Reviewing social metrics, SEO and Google Analytics data to inform marketing and design decisions.

October 2020 – November 2020

UI Designer, Everknock, London (Remote)

- Working in a start-up environment as a part-time UI designer for a property transaction platform.
- Working alongside developers to make improvements to user problems identified from their first MVP iteration.
- Developing user stories, generating ideas and solutions to user problems, identifying feature requirements and building prototypes.

September 2019 – March 2020

Brand Ambassador (BA), Obsidian Marketing, Guildford

- B2C Direct sales role comprising door-to-door fundraising for various non-profit clients.
- Awarded 'Emerging Talent' award for my office and achieved number one position in the weekly fundraiser rankings twice, securing the highest donor acquisition out of ~500 other BAs across the UK.

October 2017 – June 2018:

***University research and clinical placement year**,

UCL Great Ormond Street Institute of Child Health and Great Ormond Street Hospital, London

- Working in a team to conduct a large-scale research project, involving a national sample of 100 visually impaired (VI) children.
- Assisting with participant recruitment and child assessments; maintaining databases requiring accuracy and excellent attention to detail; data entry and analysis.
- Assisting in a clinic for VI children. Observed and challenged the validity of assessments, motivating me to explore this subject for my dissertation.
